

LIBRARY STRATEGIC PLANNING WORKSHOP 2016-2020

Pekan, 15 August- Library of University Malaysia Pahang was held Strategic Planning Workshop 2016-2020 on 15 and 16 August 2016 at UMP Library, Pekan.

This workshop was attended by 25 participants comprising of Librarians, Assistant Librarian and Senior Library Assistant.

According to the Chief Librarian, Haji Ruslan Che Pee, Library Strategic Plan 2016-2020 is the direction of library and must be in line with the UMP Strategic Plan and streamlined with the Annual Work Target (SKT) library staff.

Mr. Wan Wan Azlee Hj Abdullah, Deputy Director of Communication and Information Technology Center was also invited to share his experiences in the establishment of the ICT Strategic Plan 2016-2020.

According to him, the Strategic Plan should be based on the right track. Meticulous planning should be made to ensure that the Strategic Plan has been planned will be successfully implemented.

The workshop participants were divided into five groups based on 5 Strategic Leap for refining indicators and initiatives. The result from the workshop, 14 KPI libraries have been produced covering all UMP Strategic Leap.

Hopefully with KPI and initiatives that have been established can develop a library to the "Menjana Kegemilangan" UMP.
