

UMPSALIB – PROGRAM “KNOW YOUR LIBRARY”

Getting Started: How To Start Using Your Library Services At UMPSA Library

STEP 1 Get Connected
Connect your devices to our university network using your UMPSA-ID. Free for all UMPSA community.

STEP 2 Discover Resources
Search for online and physical format books, articles, exam paper, thesis and more.

STEP 3 User Education Class
Library provides instruction sessions for research needs and lifelong learning. Let's join our class physically and online. Request can be made by completing the form <https://tinyurl.com/jonTambahImuPerpustakaan>.

STEP 4 Research Support
• Reference Management
• Repository support for depositing (UMPSA-IR)
• Author identifiers and researcher profile
• Similarity checker (Turnitin)
• Research support consultant and program

STEP 5 Library Account
Check your borrowing status, renew and reserve using efind.

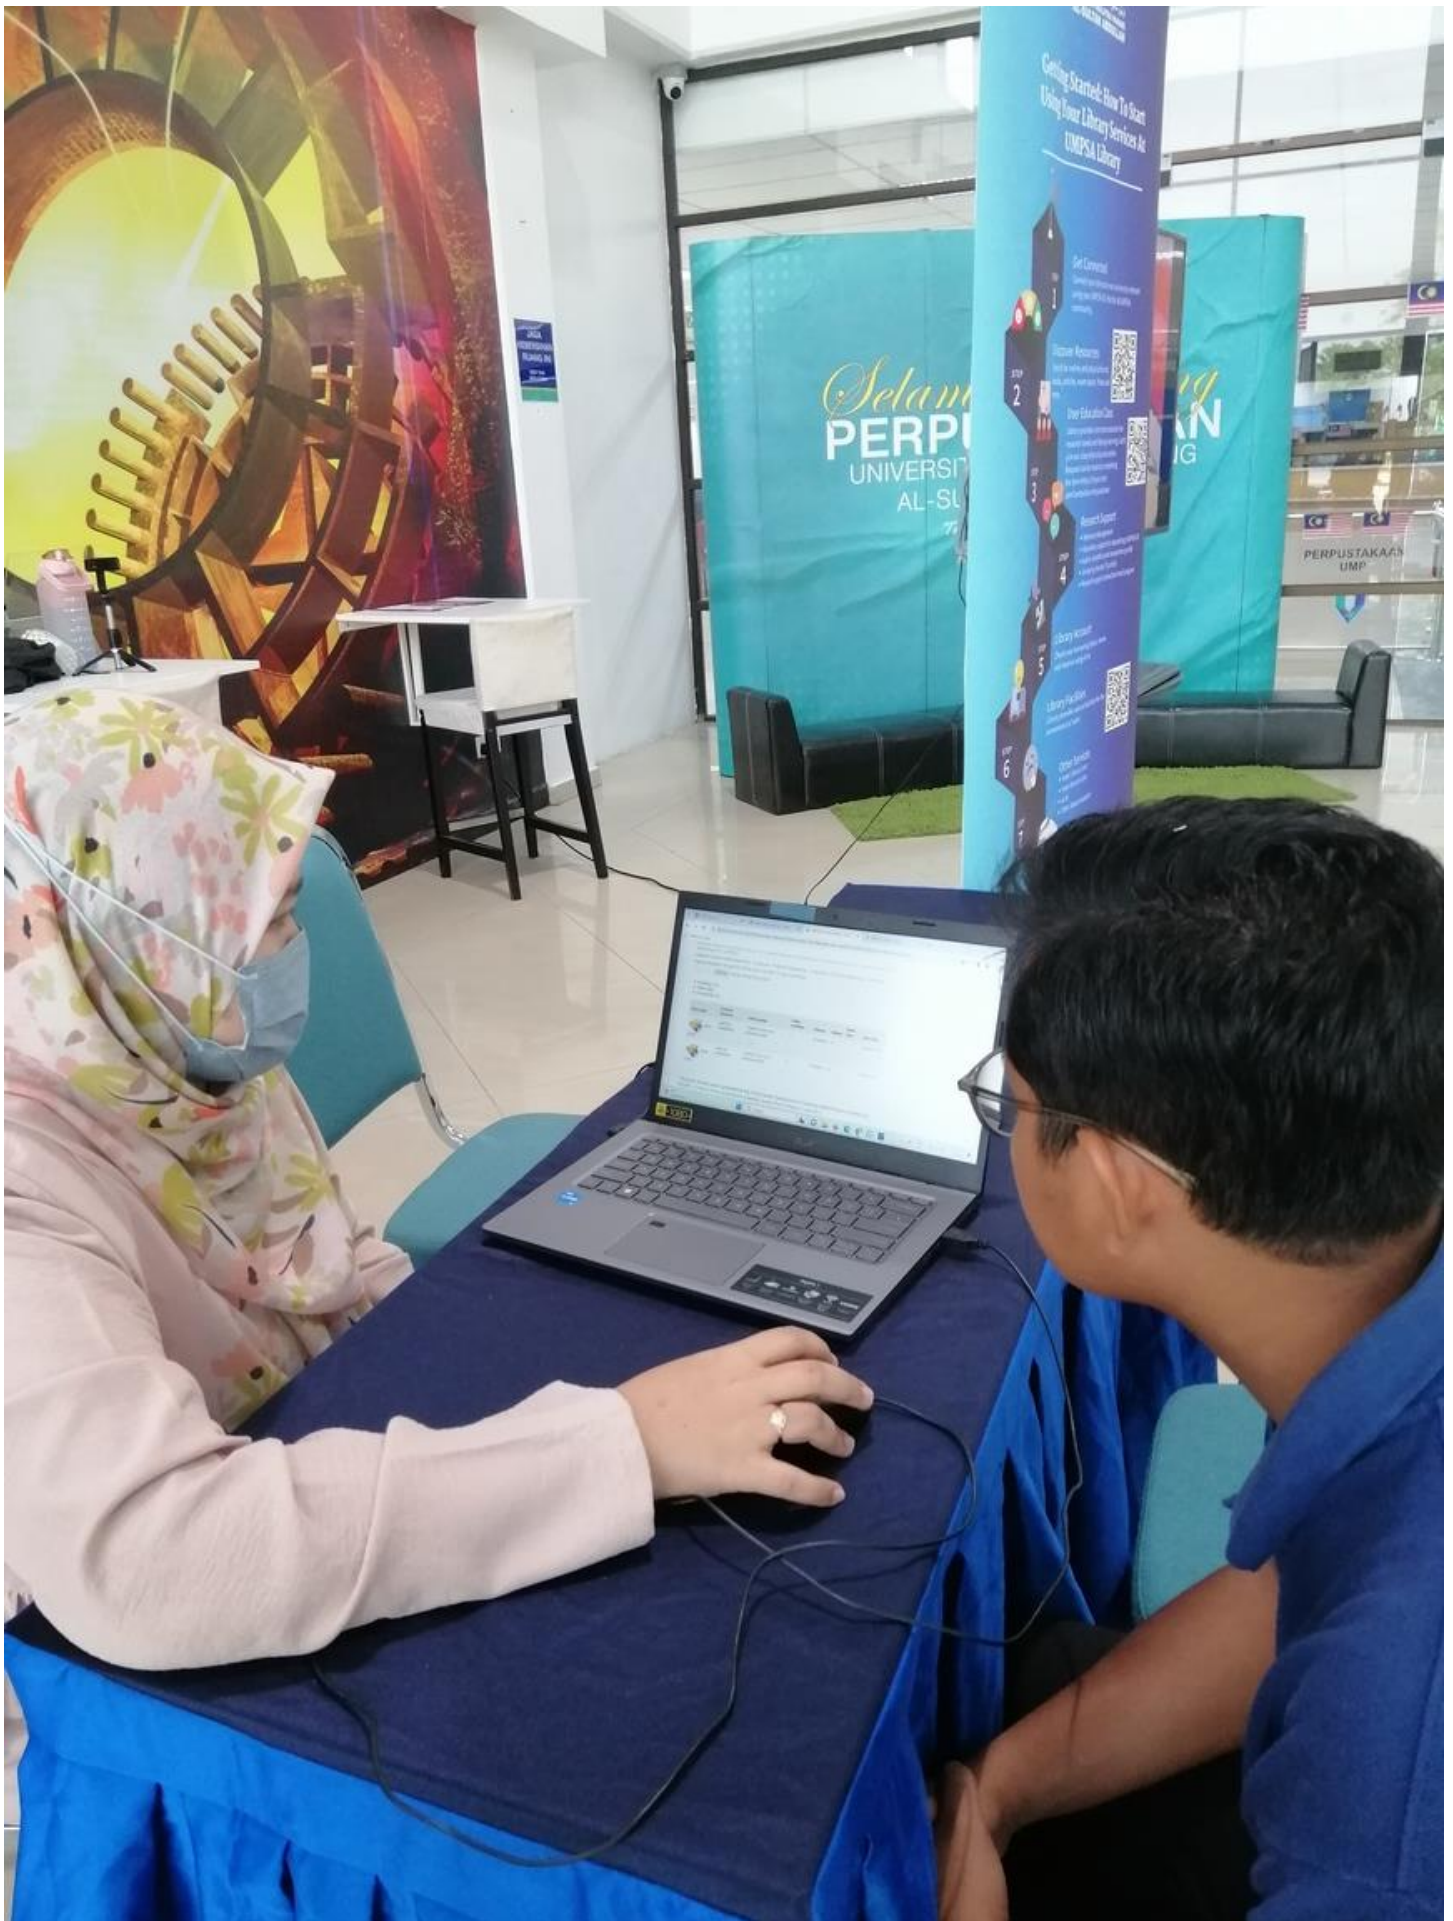

STEP 6 Library Facilities
Library provides various facilities for the convenience of users.

STEP 7 Other Services
• Inter Library Loan
• Inter Branch Loan
• ILLS
• Teks: Robo Assistant

STEP 8 Find More
You can check various information other than services in our portal.
